Use of AI declaration statement

The following AI declaration statement should be included at the end of assignment.

I, Samantha Joseph declare that:

☑ **I have used** Claude and Suno **in this assignment.**

Details of use:

1. Claude - to brainstorm ideas and find references for topics, build the website, and check for formatting and spelling errors.
2. Suno - to create the audio for the reflection song. Lyrics and style guides were given to the ai tool.

☐ **I have not used AI tool/AI technology in this assignment.**

The use or non-use of AI tool/AI technology in this assignment is based on the instructions given in the course by the instructor(s).
